## **OFFICIAL RULES**

No matter how complete rules may be, they never can cover all possible situations. If a matter cannot be resolved by interpreting the rules to the letter, the solution by those responsible should follow as nearly as possible the spirit of the rules.

All matters and terms not otherwise specifically addressed or defined herein shall have the same treatments and meanings ascribed to them in the Official Rule Book of the USEF (United States Equestrian Federation).

## **PART I - SFHJA SANCTIONED HORSE SHOWS**

### **Section 1: FACILITIES**

All show grounds must be inspected and approved by members of the SFHJA Show Committee or Executive Board before approval for a show will be given.

Minimum requirements are as follows:

Water for dust control.

Water for exhibitors' horses.

Adequate restrooms.

Adequate jumps.

Warm-up areas exclusively for show exhibitors.

Adequate schooling fences including at least one vertical and one spread fence.

A public-address system adequate to cover the entire show grounds including the warm-up areas.

Ample parking for both exhibitors and spectators.

Refreshments provided on the show grounds.

A two-ring format with over fences classes mandatory in each ring. Rings must be at least one hundred feet by two hundred feet (100'X200') in size.

A warm-up area must be large enough for multiple horses to warm-up at the same time. At least two jumps, a vertical and a spread fence, must be set for schooling

## Section 2 – SHOW OFFICIALS

The following Judges are qualified to preside at any SFHJA approved shows.:

- a. **USEF Judges:** USEF licensed Judges in the appropriate division.
- b. **Guest Judges:** Guest judges are permitted with approval of the Executive Committee. Guest judges' permission is valid for a competition season.
- c. **Limitations on Judges:** Judges may not officiate at more than five (5) SFHJA shows in one calendar year. (Exception – Jumper Divisions)
- d. **All course designers** at SFHJA approved show must be recognized equestrian professionals twenty-one (21) years of age or older.
- e. **Show Manager:** The Show Manager must be a senior member in good standing of SFHJA.

## Section 3: SHOW APPLICATION AND APPROVAL

Each show must conform to the following requirements to achieve sanctioning by the San Fernando Hunter Jumper Association (SFHJA).

- a. **Location:** SFHJA approves shows located **from the California US Border in the south; to the Arizona Border in the east; to and including San Luis Obispo County in the north.**
- b. **Show Year:** No shows will be held before the **second** week in January. The show year will end the final weekend of November.
- c. **Minimum Competition Requirement:** A sanctioned event must offer all six medal classes – only once each. (Exception, medal finals' events, which may offer a final qualifier and a class for the new season). Additionally, a sanctioned event must offer at least fifteen (15) SFHJA Pointed Divisions. These may be any combination of "A" and/or "B" Divisions. Jumper only shows may offer only jumper divisions but must offer all SFHJA rated jumper divisions.
- d. **SFHJA Approval and Mileage:** SFHJA shows are not sanctioned as either "A" or "B" and may offer SFHJA "A" or "B" divisions as determined by management within SFHJA competition requirements (see previous paragraph). No show day will be granted SFHJA sanctioning within seventy-five (75) miles of another sanctioned show day. Exceptions: Shows previously in compliance with SFHJA rules regarding separate "A" and "B" sanctioned events (prior to 2018) now in conflict will not be stripped of sanctioning, but grandfathered in. However, if a grandfathered show loses its sanctioning due to repeated cancelation of the event or violation, dates will not be renewed, and no new event may apply for those dates. Additionally, managers may agree to share a date within mileage restrictions. They must submit that request to the SFHJA Board within ninety (90) days of the events. No management or licensee may hold multiple sanctioned events on the same days or submit a request to share a date with itself within mileage restrictions.

**e. Show Dates:** New and renewing show date applications are due and must be received in the SFHJA office by September 15<sup>th</sup>. Sanctioned show dates are issued to management with seniority as comparable to those dates of the previous year provided that the established shows' date applications together with the correct fees are received in the SFHJA office by September 15<sup>th</sup> of each year, provided further that a management has not voluntarily cancelled said show two years in a row. If a manager cancels a show voluntarily without making timely notification to the SFHJA office, he forfeits the sanctioning fee as well as the seniority for such show date. If a manager voluntarily cancels a show but provides to the SFHJA office written notice of such cancellation at least thirty (30) days prior to the scheduled show date, he will forfeit only the sanctioning fee and retains seniority for such date. If a manager cancels the same show date two years in a row voluntarily, and not pursuant to acts of god, such manager loses his seniority for the following year and must reapply for such date equally with new applicants. If a manager voluntarily cancels a show more than ninety (90) prior to the event and does not wish to retain seniority, sanctioning fees will be refunded less a \$50 office fee. If a management wishes to hold a new show on a SFHJA date which remains or becomes open during the year after the September application process described above has been completed, both the written application for such date with show fees received and the SFHJA approval in connection therewith must be concluded at least ninety (90) days prior to the event. The SFHJA shall not be obliged to award an available date to anybody, even if no other manager applies for such open date. Shows denied sanctioning during the September approval process will be refunded all application fees. Shows denied approvals requested at other times during the calendar year will be refunded application fees, less a \$50 office charge.

**f. New Management and/or Facility Show Applications:** A new horse show management and/or facility may be granted SFHJA sanctioning with tentative dates. Permanent dates may be approved only after a new management has proven they can conduct such show in full compliance with SFHJA show standards

**g. Sanctioning Fees:** The sanctioning fees for a SFHJA approved show will be one hundred dollars (\$100) for one and two-day events and one hundred and fifty-five dollars (\$155.00) for three-or-more multi-day events. All fees must be forwarded with the application for the proposed show date.

**h. Insurance Coverage:** All show managers must provide the SFHJA office with a copy of the show insurance and must indicate the SFHJA as an additional insured prior to the commencement of the show.

**i. Inactive Status:** A show may declare inactive status at the time of application for the following year. This will allow the show manager to "bank" a date and still retain the rights to that date. A show may be banked for one year only. A show may not be banked if it was canceled the previous year. Approval fees shall still apply to the banked show.

**j. Show Changes:** If a management wishes to request a change in venue or number of sanctioned days for an event already listed on the SFHJA calendar, such request must be made in writing and received by the SFHJA at least thirty (30) days prior to the show date. Management will be charged a \$50 Office Fee. Requests, which are not made in compliance with these terms, will not be considered

**k. Medal Finals Events:** All medal finals will be approved independently of any show. The medal finals approval is given at the discretion of the SFHJA Board. By granting a show the medal finals one year, the SFHJA Board does not imply or suggest the medal finals will be awarded to the same management or venue again in the future. The Board may enter into a multi-year contract at its discretion. The show awarded the medal finals may at the discretion of the Board of Directors be given SFHJA sanctioning without the permission of any show manager with a conflicting date. The non-medal finals show manager will retain their date and the right to put on the show. SFHJA will not financially compensate the show manager. No new show will be granted SFHJA sanctioning opposite a medal finals event. When a hosting opportunity becomes available for any of the medal finals, notice will be sent to all current SFHJA managers and any management requesting the information. Interested parties may then submit a letter to the SFHJA Board outlining the advantages to our medal finalists, members, and the association by accepting their proposal. All requests will be considered and the decision of the SFHJA Board is final.

## **PART II - RULES GOVERNING OPERATION OF SHOWS**

### **Section 1 – REQUIREMENTS OF SHOWS**

**a. Prize Lists:** It is recommended that the proposed prize list be emailed in PDF format to [sfhjaaoc@earthlink.net](mailto:sfhjaaoc@earthlink.net) or mailed to the SFHJA office forty-five (45) days prior to the show. **All show managers must mail, electronically distribute, or have available on a web site all show prize lists.** If the prize list is NOT in compliance with the SFHJA rules and requires changes, SFHJA membership must be notified at the expense of the show manager. Prize lists must be received by the SFHJA office at least fourteen (14) days prior to an event. If the prize list is in error and the SFHJA office does not receive its copy fourteen (14) days prior to the show, sanctioning fee will be doubled.

**b. Membership Form:** The SFHJA membership application must appear in the prize list for all approved shows and must reference the correct address and fees for the SFHJA. A manager who uses incorrect membership forms will be fined twenty-five dollars (25.00) for such error.

**c. Horse Fee:** In addition to the fees listed above, SFHJA sanctioned shows must collect and forward to the Association three dollars (**\$3.00**) for each numbered horse that is entered in the show.

**d. Medal Class Fee:** In addition to the fees listed above, SFHJA sanctioned shows must collect and forward to the Association five dollars (**\$5.00**) per each rider in all Medal classes. Whether a rider completes the course or not.

Results must be in a format to include the riders age. Results may be sent via email in PDF form to [sfhjaaoc@earthlink.net](mailto:sfhjaaoc@earthlink.net). Managers who do not make timely submissions of results will be assessed a penalty of fifty dollars (\$50.00) for each five-day period that such results remain outstanding.

**f Rules:** All shows shall follow the rules of the USEF unless otherwise specifically superseded by a SFHJA rule, in which case the SFHJA rule shall apply.

**g. Rule Books:** Rule Books for the USEF and SFHJA must be available in the horse show office or show must have online access for exhibitors' reference.

**h. Protests:** Protests must be made in writing and may be submitted online at the SFHJA website, [www.sfhja.org](http://www.sfhja.org) or by email to [sfhjassoc@earthlink.net](mailto:sfhjassoc@earthlink.net), or by mail to SFHJA, 5089 Flagstone Lane, Simi Valley, CA 93063.

**i. Class Specifications:** Managers must follow class specifications exactly for SFHJA approved classes

**j. Non-Compliance:** Upon evidence that any show was not conducted in full compliance with the requisite SFHJA standards, the Board of Directors may place a show on probation for the following year, with such show bound by the following restrictions: (1) A show on probation will have no seniority or automatic rights to its date for the ensuing year. (2) A show on probation must pay the SFHJA a fee of one hundred fifty dollars (\$150.00) per show in addition to its regular fees for show approval. This fee will be used by the SFHJA to hire a qualified person to attend the show and deliver a report to the Board of Directors with regard thereto. (3) After the show, the Board of Directors will determine whether the show shall be removed from probation, continue probation, or be dropped from the roster of approved shows.

**k. Unpaid Entries:** If an exhibitor's payment for any show fees, is returned non-negotiable by a financial institution, a sanctioned show shall report in writing to SFHJA within twenty-one (21) days (1) the name and address of exhibitor, (2) names of any horses entered, (3) names and address of owners, (4) a copy of the entry blank, and (5) a copy of bank notification. Upon receipt of such notice, the SFHJA office will notify said person by certified mail and inform them that unless settlement is made within fourteen (14) days, all points accrued by associated horses and/or rides during the show year will be forfeited. He will remain a "Member Not-In Good Standing" until all debts are paid in full. When proof of payment has been received by SFHJA from the management, the member must pay a fee of \$50.00 to SFHJA to reinstate points

## Section 2 – CONDUCT OF SHOWS

**a. Schooling:** Schooling may be allowed in classes where rider is eligible to ride and at manager's discretion.

**b. Horse Ineligibility:** If a horse is schooled in the Green Rider Division by a rider who is ineligible to compete in such division, the horse shall be ineligible to show in any remaining Green Rider classes at that show.

**f. Time limits:** In the interest of the exhibitor, no horse show will start before 7:30 a.m. or run longer than fourteen hours. Show management may be penalized fifty dollars (\$50.00) per hour or any part thereof for any violation of this time limit.

**g. Classes Counting for Year-End Awards: (1)** At single a day shows only the first two over fences and first flat classes of any hunter or equitation division as listed in the prize list will count toward year-end point totals. Exception: Walk/Trot and Cross Rail where Pleasure, Obedience and Horsemanship classes may also count but with a maximum of six (6) classes to count towards points. **(2)** At multiple day shows a maximum of 4 over fences and 1 flat class will count toward year end, point totals. These will be the first 4 over fences and first flat class as listed in the schedule.

**h. Fence heights:** Fence heights offered at a show will be determined by height listed in the official prize list. Heights listed in time schedules, course diagrams, trainer sheets, or any other materials will be superseded by the prize list unless notice is given to exhibitors and posted in the show office that information in prize list is a mis-print, incorrect or not compliant with USEF or SFHJA Rules.

**i. Opportunity Classes & Outreach Arenas:** SFHJA points MAY be accrued in approved divisions when classes are held as "Opportunity" Classes or offered in USEF/USHJA designated "Outreach" arenas. However, only one of any SFHJA named division will garner points at the same show. Divisions held in open arenas or not restricted by the "Opportunity" or Outreach designation will have priority.

# PART IV - SFHJA MEDAL CLASSES

## Section 1 - MEDAL CLASSES – GENERAL RULES & SPECIFICATIONS

The San Fernando Hunter Jumper Assoc. offers six Medal classes. These classes must be offered at all SFHJA approved events. Medal classes may not be run on an open card with other classes, except 17-Under with 18-Over or 12-Under with 13-Over when it is determined that the required number of exhibitors may not be met for points to count unless classes are combined. In combined Medal Classes, in addition to the winner, the highest placing rider accruing points, in the alternate age group of the winner, will also qualify for the finals.

**a. Eligibility:** RIDERS AND TRAINERS MUST BE CURRENT MEMBERS BEFORE ENTERING MEDAL CLASSES. It is the responsibility of riders, parents, and trainers to understand eligibility rules for each medal class and to maintain eligibility as described for each section, through the finals.

**b.** If not addressed under the rules of the specific Division or Medal Class, after a period of five years, and if no competitions have been attended during the five-year period, a rider is eligible to compete at any lower fence height than when competition ceased. Further, if an infraction has occurred invalidating a rider's eligibility, a rider may submit to the Board, in writing, a request for reinstatement of eligibility to compete in a specific class or at a lower height. Request should include any additional information that would assist the Board in understanding the circumstances. Requests may be made provided rider did not show over the regulation height at more than two (2) competitions in the previous five (5) years preceding the request.

**c. Points:** At least three (3) exhibitors must compete, complete, and receive a ribbon for the points to count.

**d.** Already qualified riders may not show in final qualifying class at Medal Finals' events.

**e.** A horse may be ridden once, by only a single rider in a medal class or combined medal classes at any given show. If all other qualifications are met a horse/rider combination may compete in other SFHJA Medals at the same show. The same horse may be ridden by a different rider at a regular show only if the class is distinct and judged on a separate card. (see different rules for Medal Finals)

## Section 2 - COMBINED CLASSES/AGE SPECIFICATIONS

**a.** In the event of insufficient entries, the 17 & Under and 18 & Over Medal classes may be combined. In the event of insufficient entries, the 12 & Under and 13 & Over Horsemanship Medal classes may be combined. (If 12-U & 13-O are combined, no combinations obstacles are allowed)

**c.** To participate in a medal class, a rider must be eligible by age on the day the rider competes in the medal class, as well as the date on which the Medal Finals are held. Age of rider is determined according to USEF Rules. Exception: Following a current year Medal Finals, riders must compete in the age division they wish to qualify for the next competition year: i.e. when competing at shows held after the 17-Under Finals, a rider who would become 18 (show age) the following year would compete in 18- Over Medal Classes.
